

PRIVACY BANNER POP-UP

Short Privacy Notice on Identity Verification and Academic Qualifications

To ensure that Ivory remains a genuine and truly academic community with qualified users, we ask you to provide certain additional information during profile verification:

- a copy of your identity card or passport;
- a selfie and/or a short video of your face for biometric comparison with the identity document;
- your academic qualifications and/or credentials (e.g., degree, PhD, affiliations with research institutions).

These data will be used solely to:

- verify your identity;
- prevent abuse and fake profiles;
- confirm your actual affiliation with the academic world and/or other professional sectors, including through verification with third parties (e.g., we may verify your degree with the University you have indicated, etc.).

For more details on how we process your personal data, please read our ****Privacy Policy**** (insert link).

Consent – Identity Verification and Academic or Other Professional Qualifications

☐ I declare that I have read and understood the Privacy Policy and consent** to the processing by Ivory of the following data: a copy of my identity card or passport, a selfie and/or a short video of my face for biometric comparison with the identity document, as well as my academic qualifications and/or credentials (e.g., degree, PhD, affiliations with research institutions, etc.).

☐ I consent to the use of such data ****exclusively**** for the verification of my identity, the prevention of abuse and fake profiles, and the confirmation of my affiliation with the academic world and/or other professional sectors, as described in the Privacy Policy.

☐ I do not consent to identity verification.

Short Privacy Notice on the Use of Your Data by Ivory

We use your basic identification data (e.g., first name, last name, email address, date of birth), identity verification data (identity document or passport, selfie or facial video, academic

qualifications), platform usage data, and technical and geolocation data to create and manage your account, ensure community security, and improve the service.

With your consent, we also use advanced geolocation data, browsing data, and academic qualifications for profiling and personalized marketing activities, as well as for statistical analysis of our services.

Your data may be shared with technical service providers, advertising partners, and, where required by law, with competent authorities, in accordance with our Privacy Policy.

You may manage or withdraw your consents (profiling, marketing, statistical analysis, geolocation) at any time through your profile settings.

Learn more in our full Privacy Policy (insert link).

Suggested Buttons:

☐ **Accept All** (consent to advanced geolocation, profiling, personalized marketing, and statistical analysis).

☐ **Reject Non-Essential Processing** (reject advanced geolocation, profiling, marketing, and statistical analysis).

☐ **Manage Preferences** (access a panel where you can individually select advanced geolocation, profiling, personalized marketing, and statistical analysis options. Please note that if consent is not provided for these purposes, use of the app will be limited to viewing the available content only).

Text to Display When Selecting “Reject Non-Essential Processing” or “Manage Preferences”

Please note that if you refuse non-essential processing, you will not have access to the related functionalities. In particular, if you do not consent to geolocation processing, you will not be able to access the following services:

- a) locating other users nearby;
- b) locating nearby commercial services.

If you do not consent to profiling for navigation within Ivory, you will not be able to access the feed personalization feature, and content will instead be displayed in chronological order
